Striving To make your day easier
Our quality and customer service is paramount
• Mission Statement

“Fastener Center a Division Production Components Inc “is dedicated to maintaining a high level of quality and reliability in serving our customers. Our company is committed to continuous improvements in quality and timely delivery in order that you our valued customers may meet their contractual and operational requirements. Management's prime objective to lead though the implementation of strict quality programs. The Employees, who are encouraged to continually grow through training, recognize the importance of quality in industry and are involved in the improvements of the company’s quality program.

• Fastener Center is a Fastener Distributor located in Woodstock Ontario for 10 years now. We carry a large range of industrial hardware in a variety of grades and plating choices. Whether your requirements are for metric or imperial measures we can supply your needs.

• We are a distributor of imperial as well as metric, in various finishes and materials, zinc, zinc yellow, cad & wax, stainless, brass.

• We are known for our ability to find those hard to find items.
